INTRODUCING THE STUDENT CODE OF CONDUCT

The purpose of the Student Code of Conduct is to provide students, parents, and staff with a clear outline of students' rights and behavioral expectations. These expectations are designed to help all stakeholders be successful at Madison #1 Middle School. To review the Student Code of Conduct in its entirety, you can visit the school website. Once school starts, parents and students will be required to sign that they have read the Student Code of Conduct in its entirety.

In this Student Planner, we have provided a brief synopsis of some of the key elements of the Student Code of Conduct so you will have them at your finger tips on a daily basis.

ACADEMIC INFORMATION

GRADING SYSTEM: The following describes our criteria for scholastic marks:

A	=	90% - 100%	Superior – special recognition
B	=	80% - 89%	Above average – working above the regular requirements
C	=	70% - 79%	Average – meeting the regular requirements
D	=	60% - 69%	Below average – working below regular requirements
F	=	59% & below	Failing - minimum requirements not being met

Parents/Guardians can check their child's grades by going on-line using the PowerSchool program. Grades are updated on a weekly basis by the teaching staff. If you have questions about your child's grades, contact the teacher directly to set up a parent/teacher conference.

PROGRESS REPORTS: Teachers will send out weekly progress reports. Be sure to check your child's planner for information on when progress reports are sent home.

SCHEDULE CHANGES: Schedule changes are handled through the principal's office and must have the approval of the principal in order for a change to take place. The following are reasons a student's schedule might be changed: (1.) Student has already had the class, usually an Encore Class. (2.) Student is in the wrong level for the class...not meeting the requirements of a specific class. (3.) Student needs to be moved to balance the classroom. (4.) Student is selected to work as an office aide during the Encore period.

The school administration will not change a student's schedule because a student wants a different teacher or to be in classes with his/her friends. Schedules were built upon providing an environment that gives the children the best place to be successful.

PARENT TEACHER CONFERENCES: Parent Conferences are held at least 2 times a year. If you feel a conference is needed, at any other time please contact your child's teacher to set one up. A parent conference can be set up by either the parent/guardian or the teacher.

Character Accountability Trustworthiness Safety

PBIS is a schoolwide approach to make schools safe and promote positive behavior.

As part of a district-wide initiative, Madison #1 has also been implementing a new **Positive Behavioral Interventions and Supports** model. PBIS was established to address the behavioral and discipline systems needed for successful learning and social development of students. The school-wide system includes proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. A system of acknowledgements will help motivate students to try their best and to encourage others as well. One important piece of PBIS is to create a set of 3-5 school rules that are well known to all affiliated with our school. The PBIS team created an acronym, CATS, to help disseminate those rules.

ATTENDANCE

PHILOSOPHY: At Madison #1 Middle School, regular attendance in all classes is expected. School attendance is ultimately the responsibility of the student and his/her family. Students should be absent from school only when absolutely necessary, as much of the classroom activities cannot be made up; the benefit of lectures, discussion and participation is lost forever to those who are absent. It is the responsibility of school personnel to keep the parents informed of actions that might have a detrimental effect upon the educational growth of the student. Regular attendance is the key to much of the success a student may gain from his/her educational program. Thus, lack of attendance may affect grades and possibly cause a student to fail a class. Students are expected to attend a minimum of 90% of the school days.

REPORTING ABSENCES: Please use the attendance line as soon as you know your child will be absent from school. An absence can only be excused within 48 hours of the occurrence. The attendance number is 602-664-7121. This number is

available 24 hours a day and 7 days per week. In addition, please add a note in your child's planner stating why your child was absent. This will serve as documentation to show your child's excused absence was recorded correctly. Please have your child ask the homeroom teacher to sign their planner.

TARDIES: When your child is late to school please send a note in their planner. It should state the reason the child is tardy. Tardies affect student performance. When your child misses class time, he/she misses out.

EARLY PICK UP: Because we value instructional time early pick up is discouraged. Students leaving a few minutes early often miss important last minute instructions and/or reminders. Interrupting classes to call students to the office also distracts other students and interrupts the end of the day classroom routines. Early dismissals should occur only in rare circumstances. Please make every effort to schedule appointments outside of school hours. Student leaving early will be marked as early out. This is considered the same as a tardy. If you do pick your child up early, Parent must come in to sign the child out. Students will not be called up until parents are in the office.

ATHLETICS

Our school offers a wide range of opportunities for students to participate on athletic teams. All sports teams offer competition for 5th – 8th grade levels. In order for a student to take part in our athletic programs, he/she must be academically eligible. This means he/she must have a passing grade in every class. The eligibility will start on the first day of the week...Monday to Monday. Students who are on a team must demonstrate appropriate behaviors. Negative behaviors could be grounds for a student being removed from a team. In order to be issued a uniform, the athletic fee must be paid. The fee is \$100.00 per sport.

Students attending the games must be picked up within 10 minutes of the end of the game. A student will not be admitted to the game without a valid student ID card. In order for students to participate in any game or practice they must be in attendance for 50% of the school day. The Athletic Director is the person in charge of the sports programs.

ACTIVITIES

ID CARDS: Students **are required** to wear a school identification card issued by the administration and to give this card to any school employee upon request. Students must be in possession of their identification card at all times during the school day and at all school related functions (examples: dances, activities, and athletics.) It is the responsibility of the student to maintain this card. In the event the card is lost or stolen, the student will be responsible for purchasing a new card for \$3.00. Students will not be allowed to attend any after-school or special functions without having a badge in clear site on their clothing.

DANCES: Dances are provided for students so they may meet and participate in a social activity. In order to provide the proper environment for this type of activity, the following regulations will be enforced at all dances:

1. Appropriate dress is expected by all those attending.
2. Dances are for Madison #1 Middle School students only.
3. Once a student is admitted to the dance, they must stay. If a student needs to leave the dance early, the parent will need to come to the door and pick them up. No one will be re-admitted after leaving the dance.
4. If a child arrives 15 minutes after the start of the dance, a parent/guardian must bring them to the door for admittance.
5. Parent permission slip is required for admittance to a dance.
6. Student ID must be worn for admittance to all dances.
7. Students attending the dance must be picked up within 10 minutes of the end of the dance.

STUDENT COUNCIL: The student government officers are elected in the spring for the following year. Student Council Officers are expected to follow all school rules and regulations. Violations of the Student Code of Conduct by a leadership student will result in discipline from the school administration and shall result in removal from office.

GROUPS AND ACTIVITIES: Any club planning an activity must have the approval from the school administration before an event can take place. The following are a list of clubs currently being offered at #1:

1. *National Junior Art Honor Society (NJAHS):* Students are involved in art activities in and around school.
2. *Cheerleading:* Students perform at games and competitions.

DRESS CODE

Student dress and grooming are generally a matter of personal choice. Students who violate the dress code will be asked to go to the Health Office to change into dress code compliant clothing. The parent/guardian may be contacted by administration. Students may not call for clothing when they violate the dress code. Be sure to dress for success!

1. Students' attire and appearance should not detract from or disrupt the educational environment.
2. Clothing shall cover undergarments at all times and shall not expose cleavage, abdomen, private area, or buttocks.
3. Dress or accessories that advocate alcohol, drugs, obscenity, sex, or tobacco are prohibited. Dress or accessories that indicate or imply membership or affiliation with gangs/negative affiliations that initiate, advocate, or promote activities that threaten the safety or well-being of persons or property on school grounds or disrupt the school environment are prohibited. Dress or accessories that display speech or language that is offensive or inappropriate to the limited forum of the public school environment are prohibited (See Madison Elementary School District policies and regulations KFA, JICA, JICA-R, JICF, JICF-R). Dress or accessories that display these or are deemed to advocate or encourage any of these are counterproductive to Madison's curriculum goals and educational objectives.
4. Shoes should be worn at all times. They should ensure that students are able to walk to class safely and participate in all classes. Students should also be able to walk up and down the stairs safely. Slippers are not permitted.
5. Facial jewelry is not permitted.
6. Hats are permitted on school grounds except they are not to be worn in any school building. This includes all headwear: hats, caps, bandanas, hoods.

These rules, as well as all rules in this handbook, are subject to the discretion of school administration and take into account any religious or medical exemptions.

DROP OFF AND PICK UP: For the safety of our students, please drop off your child next to the curb located closest to the campus. If you feel the need to park your car in a designated spot, please do not let your child cross through the parking lot unescorted. If we all use patience as we are picking up or dropping off the students, the parking lot will be a safer place for everyone. The parking lot to the south of campus is for parking only. Do not drop off or pick up your child in the south parking lot. The south parking lot is for school buses only. Students may not arrive on campus before 8:00AM. MAC is available if you need to drop off early,

ELECTRONIC DEVICES: Cell phones are permitted at school. Madison Elementary School District is implementing a Bring Your Own Device (BYOD) program. Examples of approved devices include iPads, Kindles, Nooks, smartphones, and other tablets with internet browsing capabilities. Educational purposes include, but are not limited to, classroom activities, communication with experts in connection to a class project, collaboration with classmates in class and at home with Google Docs, or research for class projects. HEALTH OFFICE:

In Case of Emergency : At the time of registration and at the beginning of each school year, the parent/guardian is required to furnish the school with at least one telephone number where the parent/guardian can be contacted during the school day. If a child becomes sick or injured during the school day, the school nurse will evaluate the student and may need additional information and assistance. If there is a change in telephone number, place of employment, or address, notify the school office at (602) 664-7100 or the school nurse at (602) 664-7120. Parents/guardians must make arrangements to have a parent, relative, or friend available at all times and on the Emergency Information Card to pick up a child who is ill.

Reasons to Keep Your Child Home from School

Any student with a temperature of 100 degrees or more may not attend school. If a student is sent home from school with a fever, he/she may not return to school until they are fever free for 24 hours. State law requires that students be excluded from school if they are suspected of having a communicable disease.

DO NOT send your child to school if your child:

- has a fever of 100 degrees or higher.
- complains of a severe headache.
- vomits or has diarrhea during the evening, night, or morning.
- has yellow or green nasal discharge.
- has red or inflamed eyes, or pink eye.
- has any skin rash, unless it has been diagnosed by a physician as non-infectious.
- has head lice.

Medication Policies

In order for the nurse to administer medications during the school day, parents must complete the "Parents Consent for Giving Medication at School" for prescription medications or the "Parents Consent for Giving Non-Prescription (Over the Counter) Medication at School" for non-prescription medications.

In order for students to carry emergency medications with them at school, parents must complete the "Self-Administered Medication" form. A signed physician's statement indicating the necessity must accompany any request for self-administration or medicine, whether it is prescribed or over the counter. The exception is for students who have been diagnosed with anaphylaxis or breathing disorders, allowing them to carry and self-administer emergency medications. You and your child must adhere to the "Self-Administered Medication" form.

Immunizations

Students must be current on all of their immunizations or have a valid immunization exemption form filed in the Health Office in order to attend school. In the event that the nurse sends an immunization notice home with the student or contacts the parents regarding immunizations, the specified compliance date must be met. Per Arizona state law, students who do not have up-to-date immunizations or a valid exemption will not be permitted to attend school until there is documentation.

Chronic Conditions

Please alert the nurse of any chronic conditions your student may have such as asthma, diabetes, anaphylaxis, or seizure disorders. It may be necessary to have paperwork completed by a health care practitioner in order to develop a plan of care for the school setting. The nurse is available by phone or email, or a meeting may be arranged.

Pass Policy

Except in the event of an emergency, students must have a pass in order to come to the Health Office. Students are not permitted to come to the Health Office between classes. If a student is coming from lunch or recess, the duty personnel will notify the nurse using the radio.

No Child Left Behind Act

In 2002 a new federal law, the **No Child Left Behind Act**, was passed to improve educational opportunities for all children. Many parts of the new law, including professional development for teachers and extended learning opportunities for children, such as after-school tutoring have been common practices in Madison School District. The **No Child Left Behind Act** affects parents and students in several ways. One part of the new law is highlighted below:

Teacher Qualifications –

The federal government provides assistance to schools serving students from high-poverty backgrounds through the Title I program. Madison School District has a number of schools served through the Title I program. As part of the change in federal law, parents of students attending Title I schools may now request information about the professional qualifications of their child's classroom teacher. Specifically, parents may request information about:

- Whether the teacher has met criteria for the grade levels and subject areas taught;
- Whether the teacher is teaching under an emergency credential or license, or other provisional status;
- The baccalaureate degree major of the teacher and any graduate degree held by the teacher, and the field of discipline of that degree; and
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to know the qualifications of your child's teacher or paraprofessional, please contact **602-664-7900**.
