

# Early Childhood Program

## 2018-2019 Parent Handbook

**The Early Years Are Learning Years!  
At Madison School District We Help Make Them Count!**

You don't need research to tell you that children's early years are a crucial period of learning and development. You see it every day in your own young child. In the Madison School District Early Childhood Program (ECP), we care for each young child in ways that are appropriate to his or her age and level of development – helping them all get a strong foundation for learning and growth. Serving ages three, four and five.

Madison School District's Early Childhood Program uses the Preschool CORE Knowledge curriculum ([www.coreknowledge.org](http://www.coreknowledge.org)). The goal of the CORE Knowledge curriculum preschool model is to enable young children to achieve greater school success and social responsibility by giving them opportunities to initiate and engage in learning activities that contribute to their cognitive, affective, and physical development. Areas of focus are: Movement and Coordination, Autonomy, Social Skills, Work Habits, Language and Literacy, Mathematical Reasoning and Number Sense, Orientation in Time, Orientation in Space, Scientific Reasoning and the Physical World, Music, and Visual Arts. All preschool CORE Knowledge skills are aligned with Arizona Early Childhood Education Standards.

Our intent is to provide a quality education for all students. One important factor in achieving excellence for all of our families is regular attendance. Preschool CORE Knowledge is designed to scaffold skills for students. Daily attendance is necessary to allow students to build their skills and grow as a class. Our preschools only operate a five day a week program, with both half day and full day attendance options. We require an 85% attendance rate per month, in order to remain in the program. Regular absences not only prevent the child from benefiting from our program, but also disrupt the overall classroom environment.

*Extraordinary Learning for All*

### How to Register for Preschool:

All registration is done online. Your first step is to go to our district website: [www.madisonaz.org](http://www.madisonaz.org). Under the Why Madison tab, click on the Preschool link, this will re-direct you to the registration website. If you do not have online access you may visit our District Office. Computers are available for public use.

Complete all required information for your child; at the end of the process you will have the opportunity to add additional children if necessary. There is a non-refundable \$65 registration fee, per child and per program that will need to be paid with your credit card (Visa/MC). For families with multiple children in the same program, the registration fee will be \$110 per family for that program. **Registration fees will be credited towards tuition only when all paperwork is signed in the DO, including providing copies of immunizations and birth certificates, by 4:30 pm on Friday, May 18, 2018. NO EXCEPTIONS.** For parents/guardians who require separate accounts for shared children, separate registration fees will apply to both accounts. Registration fees are charged to cover the cost of transaction fees. Your registration is only submitted if you pay the registration fees.

When registering on the website you will need to have the following phone numbers handy before you begin: 2 Emergency contacts, Physicians' name and number, and a code word (a word you set to confirm your identity over the phone). You will receive a confirmation email informing you that your registration and fee was successfully transmitted.

Once we have downloaded and printed your registration, you will be sent a second email notifying you to come in to the District Office, sign paperwork and provide immunization records and birth certificate. Due to Department of Health regulations, all ECP paperwork is required to have an original legal guardian signature on it before students can be accepted into the program. Every year the Department of Health Services requires a current copy of immunizations and your child's birth certificate.

Normal registration processing time is **2-3 business days**. During peak registration, it may take longer. Your patience is appreciated.

**In order for your child to attend Preschool, all contracts and bluecards must be signed at the District Office and completed with current immunizations and birth certificate.**

- If paperwork is completed before 12:00 pm, students may attend preschool the next school day.
- If paperwork is completed after 12:00 pm, students may not attend until two school days have passed.

### Community Education's Definition of Toilet Trained

We all know that young children have difficulty with new routines. In consideration of this, Community Education has established guidelines for the definition of toilet trained. We are not licensed for students using diapers, pull-ups or having routine accidents, including nap time. Accidents create a health issue for the classroom. The following chart represents expectations and consequences so that parents can assess whether their child is toilet trained for our Early Childhood Program. No credit of fees will be given for suspended days.

First Two Weeks – Transition	All accidents will be logged	Parent signs log
Third Week Attendance	No more than three accidents anytime during the week	Parent signs log Parent meeting with teacher
Fourth Week Attendance	No more than one accident	Parent signs log Student suspended for one day
Fifth Week Attendance	No more than one accident	Parent signs log Student suspended for two days
Sixth Week Attendance	No accidents at all	Parent signs log Student suspended for one week
Seventh Week Attendance	No accidents at all	Parent signs log Student may be removed from program

### **Curriculum time**

Structured small group and whole group activities follow a regular schedule each morning. Because of this, it is important that your child attend regularly and arrive each day before curriculum time begins. Please review the daily schedule with your child's instructor. **All students must be in class no later than 8:30am.**

### **Nap & Quiet Time**

Nap time will take place in the afternoon (times vary per site). Parents may send a small pillow and blanket with their child for use during the week (items need to be able to fit into a backpack in order to be taken home at the end of the week for washing). Children will be required to wear their shoes during nap time in the event of a sudden emergency.

### **Dress Code**

Each Preschool follows the dress code of the affiliated school. The dress code packet is available on the parent portal, on the Madison website, and in the District Office. Athletic shoes (closed heel, closed toe) must be worn at all times. Sandals, flip-flops, Crocs, cowboy boots, ballet slippers, etc. ARE NOT ALLOWED. Students arriving without the proper footwear will not be allowed to stay at school.

### **Breakfast/Lunch**

Breakfast and/or lunch can be pre-paid directly at your child's school cafeteria or through [www.MySchoolBucks.com](http://www.MySchoolBucks.com). Each Preschool has their own breakfast schedule - please contact them directly about their timeframe. Parents may also provide lunch for their child. Parents are encouraged to provide their child with a water bottle. Snacks are provided by the Preschool. For more information about Food Service, please refer to [www.madisonaz.org/parents/lunch-menus/](http://www.madisonaz.org/parents/lunch-menus/).

### **Daily Activities to Include (but are not limited to):**

Whole Group Instruction  
Small Group Instruction  
Learning Centers  
Snack  
Large Group Activities  
Outside

### **Fieldtrips**

All students are expected to follow Madison school rules while off site on a field trip. Students must be able to obey the instructions of Madison staff. For the safety of all students in our program, students that fail to properly respond to adult direction may be prohibited to attend future fieldtrips.

All students must attend scheduled fieldtrips. We do not leave staff behind for students that do not wish to participate. If you do not wish for your child to attend a specific fieldtrip please make alternative plans for them that day.

Transportation will be provided by the Madison School District Transportation Department. Children MUST ride the bus with their group. Children are NOT to be picked up or dropped off at any fieldtrip location.

### **Program Guidelines**

1. Our program provides a wide variety of toys and games for the children; we discourage bringing these items from home. If such items from home are brought to the program, staff cannot be responsible for their safe return.
2. It is very important that all clothing, jackets and lunch pails be clearly labeled with your child's name. Program staff is not responsible for their safe return.
3. All children need a complete set of clothing to be left at the program in case the child needs a change of clothing during the day.
4. We suggest your child come dressed for comfort. Your child should wear practical, washable clothes.
5. Children must be completely toilet trained. NO Pull-Ups. This includes being able to nap without any accidents. (See definition).
6. Classrooms are organized by date of birth to create the best learning environment/experience for all children.
7. ECP aligns with the district discipline matrix that can be found in the Madison School District Student & Parent Handbook on the District website.

### **Keeping you Informed**

Parents play a crucial role in every stage of childhood and can play a positive role in getting the best in education. Please don't hesitate to contact the Community Education Staff at your child's school to share questions, comments or concerns regarding your child's experience. Together, as team partners, we will assure that your child enjoys a safe, nurturing and successful experience in Community Education Programs in the Madison School District.

Parents are encouraged to keep abreast of information about the program and its operations by regularly checking the Parent Portal and looking for special notices sent home with the children.

### **Diapering**

Community Education Programs, including the Early Childhood Program are not licensed by the Department of Health Services (DHS) to support children that need to be diapered.

### Sign In/Out Procedures

#### **All CE programs follow the same sign in/out procedures.**

Children enrolled in the Early Childhood Program must be signed in and out each day by the parent/guardian or other responsible person designated by the parent/guardian. Each person authorized to pick up your child will need to have a unique PIN. PIN's can be updated on your parent portal. Upon drop off or pick up, the parent will input the PIN number on the tablet and choose the child they are dropping off/picking up. Children may only be signed out one at a time. This will automatically record the time and person picking up the child. Checking out a child is taking physical custody and legal responsibility of them. **Continued non-compliance of sign in/out procedures may result in removal of your child(ren) from the program.**

Children will be released only to those persons listed on the Emergency Blue Card. To add or delete a person on this form you may call in with your code word, or update the blue card in person at the school. Children cannot be called up to the office for pickup. Parents must pick up and drop off children at the location of the group.

### Exposure to Bodily Fluids/Other Contagions

If a student has an accident that includes blood or bodily fluids, including saliva/spitting/biting, urine, feces and/or vomit, staff members will use Universal Precautions to protect students and staff from exposure to diseases spread by blood and certain body fluids. You may be required to pick up your child from school.

Minor accidents (e.g., cuts and scrapes) may be treated by Community Education Staff. The Site Coordinator will contact the parent and/or school nurse as appropriate if the incident is believed to be related to illness or injury. Children who show signs of illness must be picked up.

If your child has been diagnosed with a contagious illness, including pink eye and/or strep, please notify your Site Coordinator. A note from a doctor may be required in order for your child to return to the program.

A child may be suspended from the program if we cannot keep them safe, their behavior endangers themselves or others or their actions create a health issue.

### Health & Safety

1. Children will not be accepted into the program until they have been free of fever (and are not on medication to alleviate fever) and/or symptoms for at least 24 hours. Nausea, vomiting, unexplained rash, continuous cough or colored nasal discharges are examples of such symptoms. Parents should arrange for standby caregivers until the sick child is sufficiently recovered.

2. When a child becomes ill, displays a fever (100.4) or is seriously injured at the program, the parent will be notified and expected to pick up their child from the program immediately.
3. In case of an emergency, as determined by the program staff, the paramedics will be called and the parent will be notified immediately. Parents will be responsible for all costs incurred in such emergencies.
4. Only medication in the original container will be administered. The Madison School District does not administer the initial dosage of a new medication. A special consent form for the administration of medication must be completed by the parent or guardian and be kept on file at the program site. Staff must administer medications as indicated on package label.
5. Social growth is crucial during the elementary years. Madison's Early Childhood Program will focus on helping children learn appropriate behavior. Behavioral guidelines have been established with the goal of not only maintaining the physical and emotional well-being of each student, but also teaching self-discipline, judgement and manners. Positive disciplinary methods are used to enforce these guidelines. Parents and staff are viewed as partners in guiding the child's development and this team approach will be utilized. Parents are kept informed of problems as they arise and may be asked to follow through at home in special situations. If program staff determines that a child cannot benefit from the program or presents a danger to other children, the child will be suspended or withdrawn from the program.
6. Madison School District does not transport preschool students to or from school. Parents will be notified in advance of any scheduled fieldtrips and will be asked to complete a Fieldtrip Permission Form. Fieldtrip transportation will be provided by the Madison School District Transportation Department. Children are NOT to be picked up or dropped off at any fieldtrip location.
7. Community Education Programs are open to all parents during operating hours.
8. Liability insurance coverage is provided as required by Arizona Department of Health Services.
9. Parents are asked to provide a change of clothing for the student. If a student is unable to care for themselves appropriately, the parent or guardian listed on the DHS Blue Card may be contacted to take the student home.
10. When necessary, posting for pesticide use will be displayed in the school's main office. Postings will be displayed at least 48 hours before a pesticide is applied on a facility's premises.

- All changes to the contract can be made by calling the District Office at 602-664-7956. The first change is free, subsequent changes are \$25. If you withdraw or are withdrawn from a program, there is a \$25.00 reinstatement fee.
- Fees are due the 1st and 15th for ECP (See Billing Process). ECP payments received more than four days after the due date will be considered late and incur a \$25 late fee. If you are officially withdrawn for non-payment, you will be required to pay the reinstatement fee of \$25 to continue services in addition to tuition and late fees.
- Fees must be paid by check, money order or credit card (Visa and MasterCard only). CASH IS NOT ACCEPTED. Checks returned by the bank for any reason are subject to collection by an outside agency. A \$25.00 charge will be incurred per returned check in addition to the principal amount. After one returned check incident only certified funds or credit cards will be accepted through the end of the program year.
- There are additional fees for the Holiday Camps offered during Fall, Winter and Spring Breaks.
- No credits of fees or make-up times are offered for absences due to illness, vacations or suspensions.
- The district reserves the right to remove any child(ren) that has been placed on the withdraw list more than three (3) times. Payment plans may be set up with the Account Coordinator. Parents are responsible for any late charges or legal costs incurred in the collection of their account. The Community Education Department has been authorized by the Governing Board to use the following methods of collecting delinquent accounts: File with small claims court, send to a collection agency, report to major credit bureaus and File a 1099C with the Internal Revenue Service.
- Families enrolled in Madison School District's Early Childhood Program may qualify for a First Things First partial Scholarship. Applications are available in the District Office or on the Madison website. Scholarship recipients must have their child at school by 8:30 and attend at least 85% of the time. Failure to do so will result in a meeting with the Director and possible removal from the scholarship program.
- Families with multiple children will receive a discount of 15% off the less expensive program. Madison School District employees working 19 hours or more will receive a 50% discount starting with their first child.
- Payments can be made on your parent portal, or in person at the District Office during business hours. As a courtesy, you will receive statements via the email address on the parent portal. Late fees apply to payments received after the 5 day grace period. If you wish to mail in your

payments, you may do so by sending and making them payable to:

Madison School District #38  
Community Education  
5601 N. 16<sup>th</sup> Street  
Phoenix, AZ 85016

- Community Education does not maintain tax records for individual accounts. The Tax ID # is 86-6000497. Families who utilize flex-spending accounts must provide the Community Ed Receptionist (602-664-7956/ceinfo@madisoned.org) with the appropriate information from their employer.
- End of the year tax statements are available on the parent portal by the end of January. Tax statements are not emailed or mailed out individually.
- If a child is picked up after closing time, parents will be charged \$2.00 per minute thereafter. The charges will be added to your invoice.

The closing/end times are as follows:

Full Day ECP (All Sites)	6:00 PM
Half Day ECP (All Sites)	12:30 PM

#### **Removal/Suspension from Program**

A program removal of a child is defined as the withdrawal of a child currently enrolled in a program by the Community Education Department. A child may be withdrawn from a program because of delinquent payments or if program staff determines that a child cannot benefit from the program or presents a danger to other children, self or staff. Due to our licensing, failure to follow proper PIN check in/out procedures will result in removal from the program.

A child may be suspended from the program if we cannot keep them safe, their behavior endangers themselves or others or their actions create a health issue. (See Exposure to Bodily Fluids/Other Contagions for more information.)

As per Board Policy JICK-EB, bullying in any form will not be tolerated. Bullying can be physical in form (e.g., pushing, hitting, kicking, spitting, stealing); verbal (e.g., making threats, taunting, teasing, name-calling); or psychological (e.g., social exclusion, spreading rumors, manipulating social relationships).

All programs are licensed by:  
Arizona Department of Health Services  
150 N. 18th Avenue Phoenix, AZ 85007  
602-364-2539

Inspection reports are a matter of public record and are available for viewing.

# DHS EMPOWER Policies

## Physical Activity

We encourage all children to participate in a variety of physical activity opportunities that are appropriate for their age, that are fun and that offer variety. If children are inactive for long periods of time, they can be at risk for problems associated with being overweight. In keeping with this philosophy, our facility will follow the guidelines below:

- ✓ All children are provided at least 60 minutes of physical activity every day, including both teacher-led and free-play activities in accordance with the Empower guidelines.
- ✓ Staff will encourage moderate and vigorous levels of physical activity.
- ✓ Weather permitting, every child will have the opportunity to participate in outdoor physical activity.
- ✓ Screen time is limited to less than three hours per week for children ages 3 and older.
- ✓ No screen time during meal or snack time.
- ✓ Physical activity is never used or withheld as punishment.

## Sun Safety

We at Madison are committed to protecting the health and safety of students and staff. While we like to provide opportunities for outdoor physical activity, we also want to make it sun-safe. Well defined research has documented a multitude of negative health conditions from overexposure to the sun. We follow the precautions below for all outdoor activities:

- ✓ Staff will follow the age-specific recommendations when planning outdoor activities.
- ✓ Staff is encouraged to protect the children's and their own skin with: Sunscreen, lip balm, hats, light clothing and shade; limiting exposure during peak UV times; regularly checking the UV index to monitor the intensity of the sun's rays and plan for outdoor activities accordingly.

## Child and Adult Care Food Program (CACFP)

The CACFP supports child care facilities by making child care more affordable for many low-income families while promoting good eating habits. Eligibility for CACFP is determined by federal standards based on family income within established geographic boundaries. At this time, Madison participates in CACFP through our Food Service Department.

## Fruit Juice

Too much juice may be linked to weight problems and is associated with tooth decay and decreased appetite for other nutritious foods. Too much juice may also take the place of more nutritious beverages such as fat-free or low-fat (1%) milk or water. To support your child in establishing lifelong healthy eating and drinking habits, our facility will:

- ✓ Limit 100% fruit juice with no added sugar and not more than two times per week for all children.
- ✓ Only four to six ounces shall be served at one time.
- ✓ Fruit juice shall only be served with meals and snacks and not continuously throughout the day.
- ✓ Water shall be used as the first choice for thirst and will be offered throughout the day.

## Oral Health

Tooth decay is an infectious disease and a serious health problem among young children in Arizona. Our facility recognizes that we play an important role in preventing tooth decay and in educating children, their families and staff on tooth decay prevention. We will provide oral health education once per month and guide our staff on steps they can take to prevent tooth decay.

## Staff Training

We regularly train our staff on the Empower Program and Empower topic areas, including: physical activity, nutrition, oral health and tobacco. All training is documented and records are readily available.

## ASHLine

Arizona Smokers' Helpline (ASHLine) is to help staff and parents quit tobacco. To protect the health of our children, their families and our staff, our facility will promote the ASHLine information on the dangers of second- and third-hand smoke by placing them in a visible spot.

## Smoke Free Campus

We are committed to providing a smoke-free environment for children and staff due to acknowledged hazards arising from exposure to second-hand smoke. Appropriate signage will be posted.
