### What’s Happening in TCT……

Teachers met as grade levels to review guided study data. Teachers planned and gathered resources to teach the next guided study rotation.
Dear Parents of Madison Rose Lane,

Starting next week (April 9-13) and going into the following week (April 16-20), we will be having our AZMERIT testing for all of our 3rd and 4th grade students. We are requesting that there would be no visitors or volunteers during the first week and that only KG-1st grade volunteers would be present during the week of April 16-20 and remain on the east side of campus. Furthermore, we are requesting that all appointments are not scheduled during these testing dates as the students are taking tests throughout the entire day. We have several testing requirements that must be followed and your help and attention to these things are extremely important.

Encouragement at home is a big help prior to this time. Taking time to discuss with your child what will be occurring seems to ease any nervousness they might have. It is imperative that your youngster get plenty of rest and eats a healthy breakfast each day. Grade levels will be providing incentives for those students who have perfect attendance during this time of testing. We appreciate your help in not scheduling appointments during this time as well as ensuring that students arrive on time to school. Striving to help all our students perform to their full potential is our goal as they prepare for these tests.

At Rose Lane, safety is valued more than convenience. Considering the fact that we have around 850 (K-4) students, which almost one half is on a variance, means we have lots of younger students around. Please continue to exercise caution during drop off and pick up. By holding off on the cell phone calls and remaining extra vigilant, student safety is enhanced. Your patience and support is greatly appreciated.

Please note that we have already received numerous inquiries about our school, especially for Kindergarten. Additionally, we will have our annual Rose Lane Open House on Friday, April 27 followed by the Spring Showcase. All of our classrooms will be open from 5:00-6:00pm with the events lasting until 8:00pm. This is a wonderful family event and allows everyone the chance to meet our incredible staff. If you know of someone who is considering their options for schools and would like to learn more about Rose Lane, please have them contact our school office (602-664-7400).

It is truly amazing how quickly this school year has flown by. The children have worked diligently and shown growth in so many ways. Seeing the partnership between parents and staff in working together to help all students experience success has been very rewarding. We are thankful for the continued support and encouragement you offer. Working as a TEAM has made all the difference. Let's have a fabulous final month and a half together!

Sincerely,

Dr. Peter D. Morkert
